## **GENERAL COURT RULES**

- Every member must sign in on Skedda, the reservation system, prior to play.
- Tennis shoes are the only acceptable footwear. No other types of shoes or bare feet are permitted.
- Shirts must be worn at all times. Bathing attire is not permitted.
- Courts are to be used for tennis only, and only persons actually playing are permitted inside the enclosure.
- No member may occupy two courts with guests at any one time.
- Courtesy to the players on the adjoining court is requested. Do not chase balls in the adjoining court. Do not cross behind until invited to do so.
- Do not walk or stand in back or between courts while play is in progress.
- Sitting or leaning on the nets is damaging to the nets and net straps and is strictly prohibited.
- Tennis ball cans and other debris should be placed in the trash receptacles provided.
- Last players leaving the courts are responsible for cleaning the courts, turning out lights, and locking all four gates. All rollers and brooms are to be hung inside the court fences.
- The Club, and its employees, are not responsible for personal property left at the courts.
- Parents bringing children with them while they play tennis are responsible for properly supervising their children. Noisy, unruly behavior is a disturbance to others and should be controlled.
- Children using the tennis courts, under the age of 12, must be under direct and continuous supervision of an adult member whom shall assume full responsibility of their behavior.
- Terrytown Country Club may revoke tennis privileges of those members who show continual disregard for the rules governing the use of the tennis courts.

## **RESERVATION OF COURTS**

- All players are required to sign up in via Skedda, ([TerrytownCountryClub.skedda.com](http://TerrytownCountryClub.skedda.com)) and make reservations via the online reservation system prior to play.
  - A member unable to use the reservation system is required to contact the Tennis Liason to make reservations or release courts prior to play.
- No court can be reserved more than 3 days in advance. The reservation must list all the players' names.

## **TENNIS COURT RULES AND REGULATIONS**

- Courts reserved for USTA, JCCA, and Intramural play are overseen by the tennis liaison and all amendments to these reservations must be made through them.
- A member who has reserved a court must be on the premise within 10 minutes after the reserved court time or the reservation is forfeited.
- Walk-On Reservations: A “walk-on” reservation is non-advance reservation. You simply come to the court at the time desired, ready to play. Friday through Sunday, courts are available for walk-on play without reservations, however, a reservation takes priority. Sign in on Skedda and reserve any court available at that time.
- Please cancel any reserved time as soon as possible if unable to make the court time. Court time is valuable and scarce. This courtesy will help to insure optimum use of court time. A record of reservation “No Shows” reported will be kept. Repeat offenders will be faced with suspension of their tennis privileges.
- Each individual player is limited to 30 minute advance reservation slots. Note: This does not include walk-on reservations. You may take as many walk-on reservations as you are able to.
- An individual player may reserve a court for practice for ½ hour, but not during prime time. (Ex. Practicing your serve by yourself.)
