A membership application form must be submitted for review by the Admissions Committee for completeness and accuracy.

- Letters of recommendation from two current Terrytown Country Club members in good standing, one being a charter member (stockholder). These letters must accompany the application.
- The application must be signed and dated by the applicant.

Application Process

All new membership applications are reviewed weekly by the Membership Admissions Committee from March 1 – May 1. Each new application will be reviewed by the Membership Admissions Committee. Applications for new membership should be accompanied by a letter of sponsorship from two sponsoring members (one charter/stockholder member sponsor required). Any application received without charter member sponsorship must be interviewed by the Membership Admissions Committee.

Results of the interview will be documented by the Membership Admissions Committee and included as part of the recommendation submitted to the Board of Directors for final approval.

The Membership Admissions Committee will maintain a current list of qualified applicants in the order each applicant is determined to be qualified, subject to subsequent actions by the applicant when contacted about their membership application.

Board of Directors Review of Membership Applications

The Board will review membership applications presented to them for consideration by the Membership Admissions Committee and will consider the recommendation of that committee. All applicants are subject to background check and verification of information provided on their application. There will be no discrimination based upon race, religion or sex in the review of applications.
